*Audience Public Comments: The Board will invite your comments and concerns twice during tonight's meeting. First, you may address items on tonight's agenda. A second opportunity to speak will occur later, when you may address any issue. Though it is the board's usual practice to listen without immediate comment, your concerns are noted, and you may request follow-up. To address the board, stand up and give your name first before you address the board. Please limit your comments to three minutes.
