Super Seniors and Cloverbuds for 2022

Just a reminder that this year the swine barn will be welcoming back the Super Seniors! I know this has been a question in the past in our barn because of capacity, but this year we will be bringing them back for 2022.

We will also be allowing seven-year-old Cloverbuds to be able to bring their own project to the fair. An e-mail went out to those parents and leaders of seven-year-olds

on Monday, February 14, 2022.. I also ask that the 4Her, parent, or leader confirm with me by July 1, 2022, that the seven-year-old Cloverbud would bring a project to fair, to allow me to have them on the pen assignment workflow.

Communication for Swine Barn

Reminder, we have a barn e-mail for the swine barn communications. This email can be passed along to new species chairs each term. The e-mail is swinebarn4h@gmail.com

Please know, I usually work on my 4H work on Sunday afternoon, if it is an EMERGENT issue, please feel free to call or text throughout the week.

Graduating Senior Bios

Please e-mail senior bios and pictures to the swine barn e-mail: swinebarn4h@gmail.com. Please have this done by July 25, 2022.

Waterer Clinic

The Livestock Council discussed the swine watering system at the March 7, 2022, meeting. For this year, the council has decided to have all 4Hers bring their own watering system for the 2022 fair. Swine barn will be holding a waterer clinic for 4Hers to purchase the materials and build their own PVC waterer for the 2022 Fair. The clinic will be held in the Swine Barn, Sunday, June 26, 2022 from 12:00 p.m. – 3:00 p.m. The cost per 4-Her will be around \$20.00. A RSVP link will be sent out in the next two weeks.

Swine Record Books

All three record books have been uploaded to the website.

Changes are highlighted in the document.

If you have any questions regarding the Guidebook, please feel free to reach out!
