## **Animal Care & Management**

Because your project is a living creature, it requires regular care and management. Here is the place to explain what you regularly do for or with your animal on daily, weekly, monthly, and yearly basis. Be as specific as possible. Do not forget to list the following: • Feeding and watering practices • Exercising • Grooming (brushing, clipping nails, check health) • Clean and disinfect cage, food/water containers • Manure removal
