4h Club Leader: _____

4h Age (as of 1/1): _____ Years in 4h Jr. Beef : _____

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

4-H Cloverbud Jr. Beef project

- Gain experience in caring and showing cattle
- To participate in group activities within your 4h club.
- Allows the 4her to explore and discover project areas.
- Cloverbud projects are not judged or placed in any 4h activity.
- The responsibility of animal ownership should not lie solely with the child, but with the parents also.
- Safety of the child should be the primary concern of the cloverbud project.
- Have fun filling out the record book and turn into the specie chair at the September Livestock meeting!
- Also refer to the Cloverbud section of the Livestock council guide book.
