MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

‡ **4-H Record Books:**

- Youth are required to turn in one completed record book (showmanship or market). If youth are exhibiting in market or in multiple species, you are required to complete the record book for your market project. Examples: Jane shows beef cattle in showmanship and market; Jane completes a record book in beef cattle. John shows swine, horses, and goats, and markets his hog; John completes a record book for hogs. Sally shows chickens, rabbits, and dogs all showmanship only, and decides to complete the record book for rabbits

‡

‡ **Record Books must be completed and turned in to the Species Chair at the September Livestock Council meeting.**

Why is your record book important? It . . .

- will aid you in learning about all aspects of raising and selling livestock ○ helps you set goals for your project ○ helps you plan future projects
- shows your financial decisions and outcomes
- overall, will improve your management and organizational skills ○ It will be fun to look back at your book years from now... remember, this can be fun when you put all your effort into it!

- Suggestions** (*practices for good record keeping*) ○ Consistently fill in the record book; avoid waiting until the last minute. ○ Hang a calendar or note book near your animal's pen to write notes in to help you with your record book. ○ Write neatly and clearly. ○ Take pictures before, during and after your project is done. ○ Complete your Thank You to your buyer soon after the sale.
- Have FUN and work hard!
