Describe your experience with 4-H in general and with the 4-H Livestock Council in particular. What other experience do you have that would qualify you for this position?

I have been a 4h leader for 9 years. I have served on the auction committee for 9 years. I was the previous Deputy Treasurer for 2 years, Treasurer for 1.5 years and Vice President for the last 3.5 years. I have a Business Degree, Run 2 Businesses and have 19 years of accounting experience.

Describe how you will actively develop and promote the 4-H Livestock Council, both during the fair and the rest of the year.

I always have supported the program and the kids throughout the year. I serve on the auction committee to help make the livestock auction the best we can for the kids and buyers. I have been in charge of the livestock committees and making sure we have enough volunteers to run our shows and events before, during and after fair and to help make our fair week run smoothly. I will work with the fair board to schedule work bees. I am also on the education committee and will help organize and find topics the kids will benefit from and enjoy learning.

What specifically do you plan to do to keep up-to-date with your officer position?

I plan to continue the work I have been doing. Attend Fair Board meetings. Attending Conferences and education seminars.

What do you see as the two most important issues currently facing the 4-H Livestock Council?

In person Showmanship clinics for all species, better in person education and maintaining open communication with the fair board and our council.

What specific ideas do you have for our 4-H Livestock Council program that you would like to implement during your term in office?

To help to continue to keep the livestock auction running smoothly. Creating great in person education events. Reward kids who are doing exceptional things with in our program and focus on the good that they are doing by helping others and expanding their own education by doing so.

What additional information would you like to provide?

I have watched this program for 16 years, got involved 9 years ago and have not regretted it yet. We have a great program in our area with a lot of community support and I have been honored to serve on this board and would like to continue to serve our kids and families.

In addition to this application, please be prepared to give a 2-3 minute speech at the November meeting of the 4-H Livestock Council. This should include comments regarding your willingness and ability to serve as a 4-H Livestock Council Executive Officer and what you feel you can contribute to the 4-H Livestock Council and its programs.
