Photos of your Project Beginning and End

Did you meet the project goals you listed in the beginning of this record book?

How did you finance your project?

What practices or preparation did you use to get ready for your show or shows?

Will you continue with the same practices and preparation?

Why did you choose the breed you did for your project?

Why?

Did your lamb project run into any health complications? If so, how did you deal with them?

If this was your first year with a lamb project, what did you learn and will you choose this project again?

* Optional*

What is something you would like to see change in the lamb program?

What is something you think works well in the lamb program and what could be improved?

Use this Page for Pictures

Use this page to post pictures of your lamb and you from the date of purchase through the end of the project. More is better 😊
