Use a binder or folder to keep all of your records in one place.

Start your record book the day you receive your poultry.

Add weekly progress notes to your record book

Take pictures at the start, during and end of your project. Put these in your record book.

Keep all project receipts for feed, equipment, veterinary, housing costs. Include a copy of your project purchase record.

Include any documentation of birth/ hatch by a breeder or hatchery.\

Attend clinics, do research on line, read books about poultry

COMPLETING THIS RECORD BOOK HELPS YOU:

Set goals and accomplish them.

Help you to understand your projects cost, profit or loss. Remember a loss does not mean that you have failed!

We all have "losses" at one time or another. Use it as a tool to improve.

Will help you understand what you learned by doing this project.

A good keepsake....it will be nice to look back on when you are older!
