Minimum Weight @ Fair: 225 lbs.

Maximum Weight @ Fair: 315 lbs.

Glad Spring has finally sprung. Everyone should have their swine projects, with this weather, please watch for coughs and sneezes!

Tagging Verification

On Saturday, May 15th from 8:00 a.m. – 12:00 p.m. and Sunday, May 16th from 12:00 p.m. – 4:00 p.m. 4Hers will need to bring their swine to the Northwestern Michigan Fair Grounds to have their 840 tags verified.

Attached to this sheet is the Tagging Verification form that you must have present for verification. Please have this form filled out on arrival. Also, if you have tagged a second pig, please have \$10.00 ready for that tag to be verified. Those who have conflicting reasons for not being able to have their pigs at the fairgrounds on either of these days will need to contact me regarding alternative ways of verification and all tags must

be verified by Thursday, May 27, 2021. Any questions, please contact Todd or I directly.

E-Mail and Social Media

We have a new e-mail for the swine barn communications. This email can be passed along to new species chairs each year. The e-mail is swinebarn4H@gmail.com

Please know, I usually work on my 4H work on Sunday afternoon, if it is an EMERGENT issue, please feel free to call or text throughout the week.

The swine barn will be releasing a Facebook page this week for communication purposes. More will be coming regarding this upcoming change.
