

Barn Duty

I am currently working on Barn Duty assignments. Clubs with 9 or more members, I am asking if you would split your clubs in half and each half will cover two one hour barn duties. With the census being so low, I don't have enough clubs to cover the week. If the larger clubs are willing to split their members allowing 4 barn duties total, I will allow you to do back to back assignments if you wish. Please let me know this evening or tomorrow after I send the email out. Those clubs would be: Beef and Bacon Bunch, Boots and Roots, Country Kids, Green Acres, Leather n Laces, Pen Pals, and Show Time.

Volunteer Sign Up

This will be in Sign Up Genius format. Email with the link will be sent out around noon on August 1 via email. I will print out the sign up and post in the barn on August 7th. If you don't sign up using sign up genius, please sign up on the sheet by the barn meeting August 7th.

1. I am asking parents of the 4-Her to please sign up for three different positions during fair week.
2. Thank you everyone for giving me a chance to try this method out.

Swine Barn Newsletter

Late July News from the Swine Barn

REMINDERS:

Unloading: August 7th from 6:00a – 12:00p
Gate 4

Minimum Weight @ Fair: 225 lbs.

Maximum Weight @ Fair: 315 lbs.

Thank You!

Thank you to all those who helped with swine barn pen set up! Wow, team work pays off and it truly showed last Monday night the team work of our barn. Those who have not seen the barn yet, the back of the barn has been left open for walking practice.... The rules for this will be discussed in the barn meeting which is at 6:30 p.m. on August 7th in the Grandstands.

Barn Decorations

Reminder that barn decorations for above the pen should allow air flow. No lights. All pens must display a 4-H Livestock Council Pen Card (will be given at barn meeting) with youth and animal information. White signs are for market animals and green signs are for Cloverbud and/or show only animals. Please do not decorate your pen or prepare it till August 4th, we still are working on plumbing and need to avoid all obstacles.

Pen Assignments

Pen Assignments are posted in the barn. One take away. In years past, it has come to my attention that pen number tags have been kept by 4Hers a mementos, please ask your swine barn 4Hers to discontinue this. Todd and I donated my own funds to this year's pen tags and need them for next year's pens.

Show Set Up and Tear Down

Reminder that 4Hers need to help with Show setup and tear down, the book says 15 and older, but we will take all that want to help out!

Weigh Ins

Just a reminder for weigh in, have your health record completely filled out, signed, and presented at unload. Make sure your swine's ear tag is clean and readable. Youth must be present at time of unloading. For those who have two pigs registered, the pig you choose to weigh, is the pig that stays.

Attention Leaders!

Please check your email! I sent two emails this weekend, one to verify club members in the barn and two to ask you to text me your name and club so I can save your phone number in my phone. If you haven't received either, please reach out.
