*4-H Record Books are required for all market livestock projects.

*By keeping records up-to-date you will be able to see how much progress you have made toward the goals you set and how your work to accomplish them has paid off.

*Write neatly and clearly.

*Pictures are a required part of this Record Book. Taking pictures of you and your swine together at the beginning and the end of your project is a great way to see how your animal grew.

*Remember, pictures are more fun and interesting when you are in the picture. Feel free to add pictures to your records on a separate piece of paper or purchase a hard covered binder to keep your books and extra pictures in.

*You may get additional information on swine from the following sources; Your 4-H Market Hog Project, 4-H Skills for Life Swine Series, Swine Learning Lab Kit. All are available from your MSU Extension office
