

Trick Dog Participation Instructions

1. Start simple, use some type of reward system- treats or loving, whatever motivates your dog. Work in several short training sessions. Make sure to adjust your dogs food to take into account the number of treats you're using.
2. Using this link to training videos <https://www.akc.org/sports/trick-dog/resources/trick-dog-training-videos/> or look for some on Youtube.
3. Once your dog can perform a trick send a short video showing you giving the command your dog doing trick. (Novice level - you can give both hand and/or voice command and repeat it 2x's, Intermediate level - you can give both a voice and/or a hand command and repeat command 2x's)
4. You'll get a notification of completion of each trick once it has been reviewed.
5. If you have any questions, email or call me. Ges5250@gmail.com 231-883-3378
