4-H Member

Your Name: _____4-H Age: _____

4-H Club: _____

Club Leader(s): _____

Date record started: _____ Date record ended: _____

Why keep a record book?

Accurate and up-to-date records should be kept on all horses. Each record book should have a start and end date. The records should be shared with the horse if it is ever sold or loaned to another person. This template is just one way to keep records, please feel free to include more information, pictures, and details!

Project Horse

Horse's Name: _____

Registered or show name: _____

Owned by 4-H member: ___their family: ___someone else: _____
